Atreva-se a reciclar Pense no planeta

Estamos comprometidos com a melhoria contínua de processos ecologicamente corretos. Ao selecionar tecidos de poliéster provenientes de setores reciclados, cumprimos, ao nosso nível, os requisitos para preservar o nosso planeta hoje.

SPORTWEAR is committed to the continual improvement of environmentally friendly processes, which grows daily in our customers awareness. Our range of recycled Polyester fabrics, ECOREC, meets these requirements in fabrics for sportswear and outdoor enduses. We work with European yarn suppliers, that support sustainable manufacturing processes fulfilling the requirements of the European Union Environmental Laws.
